HAPPY 90th BIRTHDAY DAVE

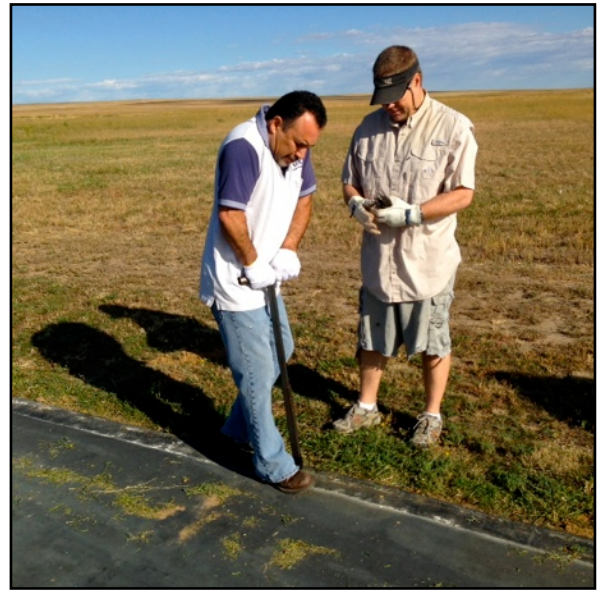

Editor's Note

Happy Birthday Dave. Thank you for all that you have done, not only for Mile HI RC but for many of the front range RC clubs. It was great seeing you Sunday. We all had an fun time celebrating your 90th with you!

Editor's Note

A "tip of the hat" to all of you guys that helped out with two, much needed field repair projects. Your efforts are greatly appreciated by all of us! The entry road and runway repairs look great! Thank you!
